Submission: Objection

Comments: The development will be affecting the traffic as Uttoxeter road is the main road to connect to A50 nor going to Uttoxeter area. The main concern is Tean and Lower Tean are quiet villages and the development will affect the local people, the construction will be affecting the traffic as there will be a temporary traffic light for connecting the pipes, electricity etc. Secondary, towards to A50 the Blythe bridge roundabout to meir park, there has always a long queue at the exit in the peak time, normally will be waiting for 15 minutes to 20 minutes as the traffic flow from the roundabout, it means more new builds will cause the queue longer and the traffic becomes more heavier. Thirdly, Tean and Lower Tean are very quietly place with very good natural environment surrounding, if there has more new builds, this will be damaging the environment. I am here to plead that to consider that local people are enjoying their quite life in here and wouldn;t like to disturb by the construction bringing the noises and damage.
