Submission: Objection

Comments: I would like to object to the planning site application based on the fields on Uttoxeter Road. I moved to upper tean just over a year ago and the selling point was the view of the fields and the wildlife plus the horses that are such a joy to at the back of my house. The volume of traffic is already horrendous to the point where my house shakes. There is 2 other building sites less than a mile from each these can not be helpfully with pollution. These houses will decrease current homeowners value of their properties for lining other people's pockets. The back of my house is the only natural light I have as it gets blocked out by other houses at the front. The fields flood everytime we heavy rain so the river bursts its banks last time it flooded it wasn't far off my garden wall. There isn't enough amenities for the village to cope with more houses and people. These houses will literally be at the the bottom of my garden wall this is causing people in the village distress as many brought their houses for a rural view and setting. Please consider my points of view.

KEEP IT THIS A SEMI RURAL VILLAGE OUR VILLAGE WHERE I AMD OTHERS LOVE TO LIVE
