Submission: Objection

Comments: I strongly object to this planning application:

1. there is bat activity clearly from my window at dusk. I suspect that bats are resident within current buildings on the site due to be demolished under this scheme
2. the access on to Sytch Road is a single dirt track and not suitable for access to proposed properties without impeding on the public footpath. There is no room for vehicles to pass without encroaching upon my land/the land of the house next door.
3. there are already illegal builds on this land, that do not have planning permission (multiple blocks of stables
4. this land is Greenbelt land and should be preserved for the village. The wildlife that relies on this land will be lost
5. there is a public footpath which is already obstructed by the owner so as to prevent walkers/ramblers
- 6.
