KEY FEATURES

Enjoy all the benefits of bright, halogen-like downlights around your home without any of the excess energy consumption by opting for these 6W LED fixed downlights by Integral.

- ✓ Low profile aluminium alloy fixed downlight with a polished chrome bezel
- ✓ 6W equivalent to 40W halogen
- ✓ Warm White (3000k) light colour
- ✓ Average life expectancy 25,000 hours + 3 year guarantee
- ✓ IP65 rated
- ✓ Integrated dimmable LED driver and COB technology for true halogen appearance
- ✓ Dimmable with compatible dimmer switch, sold separately
- ✓ 30,60 and 90 minute fire rated
- ✓ Energy rating: A+
- ✓ Size: D 58 x Dia 85mm
Cut out: Dia 70 - 75mm

PRODUCT DESCRIPTION

Adding bright downlights (that create a similar effect to spotlights) to your home needn't be a costly exercise and the great news is now you can get energy efficient alternatives. These downlights each contain a 6W low energy LED bulb that will last around 25,000 hours and will use a tiny amount of the electricity its 40W halogen equivalent would. With their chrome detail finish and low profile, these contemporary and stylish lights will add a high-end look to kitchens and are safe to use in the bathroom, too.
