Submission: Objection

Comments: I object to the change of use to a late night grocery store at 1 John St Biddulph . It is too close to two major junctions (Congleton Road and Albert ST)with double yellow lines on all roads around the premises . WE VERY RARELY see traffic wardens or police in the area to control parking espically in the evening . These type of shops are use to 'nip in ' for single items , ie papers or the odd line required , never for the full weekly shop . What concerns me more is the delivery of goods to the store . Bulk order most probly once a week with milk , bread and papers delivered on a daily basis . Please consider my thoughts and refuse this planning application
