Subject: RE: smd/2024/0087 The Woodyard Cheadle 4 X biomass burners

Hi Chris,

With regard to this application. I am finding it hard to download all of the information (e.g Boiler evaluation, data sheets and a few others).

However, I do note that they state in the D&A that that:

“The existing steel building will be used for timber storage and drying, and next to this will be a bank of 4 external free standing [2 x 295kW & 2 x 210kW] biomass boilers with 300mm diameter twin wall stainless steel flues. These will be coupled in tandem to create 2No 505kW capacity units which will output heat to the existing building and 2No steel drying skips located to the rear”

However, the biomass information form only appear to refer to

“Glen Farrow 295” :

206 kW Nominal

Output 30kg/h”

<http://publicaccess.staffs Moorlands.gov.uk/portal/servlets/AttachmentShowServlet?ImageName=354206>

Please could the information for the 2nd type of Biomass Boiler be provided. In addition to the form could you also request the stack discharge temperature.

Also, given the close proximity of the boilers it is possible that the applicant will need to combine the net rated thermal input (not output – input will be greater) of the boilers in question and if over 1MW, an EA permit is likely to be required, so could you ensure that the EA have been consulted in this one as in case it is classed as Medium Combustion Plant.

Kind Regards

Dan

Hello Chris,

Unfortunately Dan is off today. We are extremely busy and he will respond as soon as he can on his return.

Thanks

Denis

Good afternoon

Can you update me on when you can respond to the additional biomass burner info please? I have a Time Extension to today so will need to inform the applicant.

Many thanks

Chris

Hello Chris,

Dan will be reviewing this from an AQ perspective. He is off now till Monday. We are extremely busy so at the earliest it will be next week.

Thanks

Denis,

Morning

You were consulted on 18th April on further information in response to your objection to the above. Can you please let me know when you can comment on this?

Many thanks
Chris

Subject: Consultation response - The Woodyard Cheadle

Good afternoon

I would be grateful for your consultation response on SMD 2024 0087 (biomass boilers and timber storage) by Wed 10th April at the latest.

Many thanks
Chris
