Submission: Objection

Comments: I've lived in leek all my life, as I understand the land has been sold to a new owner, to which he can do what they want with, just because the previous owners had let people use the land, why should the new owners ? I had used the land as my grandparents lived in Westwood park drive but just because the old owners let people use it why should the new if they have purchased it, there are plenty of other areas to walk in the area
