Comments: This application is a disgraceful land grab of agricultural land by vexatious individuals who do not want to walk a further few yards to use a public footpath. It is mentioned that the previous owner allowed access. This is false, as an old man he was fed up with criminal actions of those constantly pulling down his fences. For a local Councillor to be involved in this issue of trying to prevent the proper use of agricultural land is highly disgraceful. The area of Leek has no shortage of hills and no notice should be taken by individuals who used to use the area when they were children. A disgraceful attempt to put someone out of business.
