

I wish to object to this planning application.

I have lived at Round Meadows Farm with my family for over 40 years which is the neighboring farm to this proposal.

I have always enjoyed the open countryside that surrounds my home, this would be an inappropriate intrusion on existing greenbelt farmland.

The noise from these sites is a huge concern along with the potential safety risks I could be exposed to.

The location is unsuitable and local businesses that are within close proximity should not be put under threat from proposals such as this.

Yours Faithfully,

Sheila Pinton
