Submission: Objection

Comments: As residents of Armshead Road we have already objected to the proposal of solar farms in this area. Now to find that a proposed Solar farm site is to be situated adjacent to New House Farm, Luzlow Lane. As our granddaughter lives part time at New House farm we are very concerned about the unknown effect this could have on health, safety, fire, explosion risk let alone damage to wildlife.

Whoever suggested this unacceptable idea I would like to know if they would subject their family to such a risk when there clearly has not been enough research into Solar Farms in residential areas.
