Comments: My objec􏰀ons are that this land is GREEN BELT agricultural and NOT Industrial. And that the roads leading to it are single track and totally unsuitable for H G Vs.

I believe that there has been a breach of planning and that this has been reported many 􏰀mes but why has there not been any enforcement ? I believe that there are three unresolved serious planning contraven􏰀ons at this site. Why has nothing been done?

I agree with the many comments sent to the council by Mr Ian Podmore.
