BAGNALL
BAGNALL
Staffordshire
ST9 9JR

Submission: Neither
Comments: STRONGLY OBJECT

First and foremost this is Green Belt !!

The Council have a responsibility to protect our Green Belt.

This will have a significant detrimental environmental impact on the area which already has two battery storage units approved.

Noise from this will surely add to the existing. Without any noise restriction on the output this will clearly impact on local community residents.

For these reasons I strongly object to the application and expect refusal.
