Refer to Checkley Parish Neighbourhood Development Plan COM1: Community, Sport and Recreational Facilities 1. New community facilities in accessible locations for users will be supported, providing there is no significant adverse impact on the amenities of any nearby residential properties or landscape character.

Checkley Parish Council are of the opinion that the proposal appears to be sound provided it is in keeping with neighbouring property and there are no local objections and it conforms with planning policies as defined in the Checkley Parish Neighbourhood Development Plan and the Staffordshire Moorlands District Council Core Strategy and the National Planning Policy Framework.
