Submission: Objection

Comments: We object to this proposed development as there is no pavement access, no parking and the road is busy, fast and dangerous. There is a turning opposite into Malthouse Road which often causes people to mount the kerb. We also object to this property becoming an air b and b. Two properties either side of this development are already Air b and b and the village is becoming saturated by an abundance of air b and bs which are remaining vacant for periods of time. It is not a suitable location.
