BARBARA GRACE ROTHWELL

4 Malthouse Road, Alton

Staffordshire, ST10 4AG

23rd June 2024.

Planning Application Number SMD/2004/0030

Chapel House, New Road, Alton.

I wish to register my objection to the above building being used for holiday accommodation.

There are an ever increasing number of properties in the village being used as holiday lets, which adversely impacts on the neighbourhood and community in general.

It is noted that it is intended to use Malthouse Road, as a car park for the visiting tourists to the above property. Malthouse Road is not a designated car park. But, it is being used as such by visitors to the High Street, when not able to find a space to park.

The volume of traffic has increased significantly during recent years, the access to the property as a holiday let will be extremely hazardous for the occupants of Chapel House because, it leads directly onto a busy road,

without a pavement and with poor visibility to oncoming traffic travelling from both directions and those vehicles leaving Malthouse Road.

As a resident of Malthouse Road, and having witnessed the increase in motorists using the road as a short cut to the Theme park, I feel that it could perhaps be of some advantage to its residents, if this was designated as 'no through road', particularly as the egress onto the main road is badly situated and being almost opposite the building under consideration.

Sincerely

B.Rothwell.
