Submission: Objection

Comments: We object to this planning application due to the dangerous nature of the pull out on to a busy road.

It is inevitably going to get busier with Aldi Supermarket now being passed for development, so will be an even greater risk to all road users around that area

The Cheadle infrastructure already cannot cope with the amount and size of vehicles passing through it, without adding more.

I also thought we were trying to be more carbon neutral, so losing approx half an acre of grass, trees and wildlife habitat does not feel ecologically correct
