Comments: Worries re impact of additional vehicles leaving building site on a blind bend approaching Majors Barn Lane where .Desolation of beautiful healthy trees in said area with no apparent reason apart froit is already very dangerous with vehicles frequently going above speed limit.It is an accident waiting to happen .Concerns on amount of vehicles using this road with the awaiting of the new Aldi about to be built just down the road .Elevation of said site meaning houses may well be overlooking properties in Majors Barn Lane which are considerably lower. Desolation of beautiful healthy trees in said area for no need apart from query improving the site line.
