Dear Arne,

Thank you for your consultation regarding this discharge of conditions application. I confirm that we have no comments to make to this application, we did not recommend any conditions in our response to the original planning application SMD/2024/0025 (Our letter ref: SV/2024/112222/01-L01, dated 22/2/24).

We note that United Utilities did recommend the inclusion of condition 6 on the planning decision notice which does fall in line with our previous comments aiming to ensure no impact on controlled waters, which is welcomed.

We confirm that we would raise no objections in relation to the submitted CEMP.

Regards,

Nanette
