Submission: Objection

Comments: Unfortunately, we have not received a letter regarding Mr and Mrs Powell's appeal, but have been informed by neighbours.

We would like to object to the North West facing balcony doors which directly overlook all of our principal ground and first floor windows. Not quite sure how obscure glass will benefit us, as we will still be faced with the same gross invasion of our privacy when the glass doors are open, in order to access the balcony.

We would appreciate a site visit from the planning officer, to view the extent of privacy loss we will be subjected to if the French doors are approved.

Many thanks for your consideration,

Craig and Ruth Cartwright
