Comments: This peaceful residential area is totally unsuitable for these plans.

When plans were passed to change the double garage into a two bed bungalow the whole site stated parking up to 6 cars, now with this new application it's 7!

There are no pavements for pedestrians. Deliveries, waste collection, emergency vehicles will struggle to get through as cars will be parked on the roadside due to lack of parking spaces on site, particularly at hand over times. So residents lawns will be churned
