Submission: Objection

Comments: I wish to object to this planning application on the basis that the property is based on an estate in Cheadle which is already experiencing a lot of anti social behaviour. I am frequently overhearing community police officers stating that they have a real problem with the youngsters in the area.

I further object because once the application is granted (should it be so) the use can then easily change to another class C2 residential institution such as a half way house.

I believe the change will devalue my property and others. We pride ourselves on the estate for knowing each other and acting as a community. I feel this will have a detrimental impact on the same.
