Submission: Objection

Comments: The proposed vehicle access/exit is on a very dangerous stretch of road, on a bend and near to the junction for Dilhorne. I travel this road several times a day to my elderly mother on Leek Road. The speed of traffic between Brookhouses and Town end is much higher than 30mph, on numerous occasions vehicles have come flying past me. This road is already dangerous and an addition pull out will add to it. There are already a lot of 4+ bedroom houses on the market in Cheadle including new builds, some have been for sale in excess of 12mths. Some 2/3 bed bungalows would be good for the older residence to downsize, but not on this dangerous road.
