Submission: Objection

Comments: Concerned on the amount of additional traffic flow coming through the estate by care workers, residential staff etc.

Concerned about the lack of parking within the property boundary. Not sufficient for staff, visitors, case workers etc meaning will have to park on an already narrow road.

Beltway homes covenant on all estate property deeds state no properties to be used for business use.

The change of use of the property will cause nearby properties to lose value and saleability.

Lack of curtilage between buildings which goes against previous condition of planning permission leads to suspect foul intent of owner.
