Application Reference No. : SMD/2024/0256 Site Address: Land adjacent to 83 Town End Cheadle Staffordshire ST10 1PG Stoke-On-Trent Comments by: Michael

Submission: Objection

Comments: I object this planning application due to the following reasons;

1. the proposed access is on a busy main road. The access is close to a corner and the speed that vehicles travel on this road (even though it's limited to 30mph) is likely to cause an accident.
2. The proposed development is for large detached houses, which Cheadle already has many of. There are a lack of bungalows to allow local residents to remain in the town. When elderly residents downsize, it frees up the larger housing for new families.
3. Cheadles public services are already stretched, more houses only adds to the strain.
