Submission: Neither

Comments: Thank you for the opportunity to comment on this Application.

We note that the PROWs Kingsley 53, 60, 61, and 71 are close to or within the proposed development area.

If planning permission is granted, please include a condition that there must be no obstruction of any public right of way. Should a temporary or permanent obstruction be unavoidable, then no development should take place until a Diversion Order has been confirmed, and the diversion route, with a satisfactory surface and adequate width and marking, is available for public use.

Use of the PROWs, and the safety of users must not be affected by the development, nor during the work taking place.

This comment is made on behalf of Peak and Northern Footpaths Society, a registered charity which exists to protect and improve public rights of way for use by walkers.

Nothing in this response should be taken to imply the Society's support for the development.
