Comments: Thank you for the opportunity to comment on this Application.

We note that the PROWs Bradnop and Cawdry 16 & 17 are close to the proposed site.

Use of the PROWs, and the safety of users must not be affected by the development, nor during the work taking place. We would be particularly concerned that the likely access for any construction traffic would be via the ROWs.

This comment is made on behalf of Peak and Northern Footpaths Society, a registered charity which exists to protect and improve public rights of way for use by walkers.

Nothing in this response should be taken to imply the Society's support for the development.
