Submission: Objection

Comments: As a resident of Armshead Road, I strongly object to this proposal. This is greenbelt, which should not be sacrificed. Greenbelt is precious to maintain the diversity of the local flora and fauna. The well being of local residents will be impacted significantly by noise, pollution and electromagnetic radiation. Mental health is high on the agenda of the NHS, why is it not on the agenda of the planning committee?

This area is in danger of becoming industrialised, with the consequent devaluation of our properties.
