Submission: Objection

Comments: I firmly object to this planning. Why would us as local neighbours to this factory want to see an eyesore of a 17m tower!! I understand people need to train etc but it shouldn't involve creating more eyesores and take away the view we have in this area. I don't want leek to become like a city centre, with big buildings and pointless towers just for training that can easily be done elsewhere. We are a town, surrounded by beautiful countryside, I don't understand why people want to take that away!!! So no to a 17m tower and keep our area free from being spoiled!
