Application Reference No. : SMD/2024/0256 Site Address: Land adjacent to 83 Town End Cheadle Staffordshire ST10
1PG Stoke-On-Trent Comments by: Mrs N Shaw
From:

Submission: Objection

Comments: As a local resident, I strongly object to the planning application. First and foremost, the building of the houses is somewhat unnecessary considering that there have been several new build estates constructed over the last 18 months - Some of which are yet to be sold. Additionally, I am hugely concerned with the hazardous location of the entrance to the proposed site. Several months of roadworks will be required for such a development which will cause disruption and hazard to the local residents as well as frustration to both residents and commuters. Being so close to the already hazardous bend is also concerning due to poor visibility along this stretch of road. For the above reasons, I feel it would be dangerous for the houses to be built in this location.
