Application Reference No. : SMD/2024/0256 Site Address: Land adjacent to 83 Town End Cheadle Staffordshire ST10
1PG Stoke-On-Trent Comments by: Peter haycock
From:

Submission: Objection

Comments: I strongly object to this proposed application...our small town already struggles to cope with the

excessive traffic within the town centre....this not helped by the seasonal traffic brought through the town from Alton towers....the proposed entrance to said dwelling is the main through route from the A50 Via blythe bridge and i strongly believe that making an entrance to a group of houses on a blind bend will just increase the chance of a serious accident
