Re conversion of number 4 Millers View into a children's home

We feel that this is a most unsuitable place for a children's home or any other kind of business. It is a small narrow cul-de-sac with no pavements. We already have problems with parking when people have visitors. This application would vastly increase traffic with staff changing shifts late at night (and early morning) and obviously deliveries, cleaners, waste disposal etc during the day.

Regarding the conversion of the detached double garage into a bungalow:

We did not object to the plans last year as the owner Mr John Sales told us that it would be sold separately and the main house would be rented to a family. In the last few months when I spoke to men doing the conversion of the garage to an office in the house one of them said that it was for a family who worked from home. Very naively we accepted these lies, conned is perhaps the right word. We were never given any indication it would be converted into a business premises.

This is a quiet cul-de-sac of mainly elderly people who would have their lives vastly disrupted.
