Submission: Objection

Comments: I strongly object to the proposed build. Town End is already a dangerous and busy location-receiving through traffic from cheadle and the surrounding areas. Adding a site entrance onto this main road is going to cause accidents. It will also disrupt local residents and commuters journeys in and out of cheadle while the proposed properties are built. As a local resident, I don't want to see the increased risk of major road accidents which will indefinitely happen should this application go ahead.
