

Application Reference No. : SMD/2024/0019 Site Address: Land at Newfields Farm Rownall Road Wetley Rocks
Staffordshire ST9 0BS Stoke On Trent Comments by: A Hercock

From:

Old Mil Lane
Bagnall
Stoke on Trent

Phone:

Email:

Submission: Objection

Comments: he scale of multiple and cumulative applications for battery storage on green belt in the locality should be considered as a whole. The land in question is obviously conveniently located but this does not mean that it is the right use for the land. Such applications would preferably be done on brownfield land and not on valuable agricultural green belt land. This is highly likely to create noise and light pollution to an area that is green and peaceful therefore industrialising our natural local landscape.
