Submission: Objection

Comments: Attention Ben Hurst

WITHOUT PREJUDICE

Yet another deferment of the Committee date, I think the 5th in the last 2 years?!

How can that be right when the central issue and objection here relates to 3 separate Council confirmed serious breaches in planning consent and regulation?

Does this simply confirm that LPA Enforcement is non existing and non functional or does this reflect that some local prominent influential landowners are immune?

Please Ben, tell us what on earth is happening or not, and why?

Sincerely Ian Podmore
