Dear Sirs

Application No SMD/2024/0289.
Mrs Jodie Brown
32 . Godley Lane
Dilhorne.

Proposed Roof Garden/balcony over
existing extension.

We strongly object to the above proposal. We live on the right hand side of this semi detached property and we fear that much of our property will be overlooked by anyone using the proposed development.

Furthermore our bathroom will be immediately adjacent to the proposed balcony and we fear that our privacy will be seriously compromised.

I trust that our objections to this proposal will be seriously considered

Yours faithfully,

JH SLINN
