

Planning application for change of use from residential to Hair Salon

22 Bank Street, Cheadle, Stoke on trent, ST10 1NT

1. The proposed premises would be a hair and beauty salon where I would work with my apprentice and also other people would rent places to work with their own clients and businesses. I have been in the hairdressing industry for 8 years since I left education and always worked in Cheadle. With my clientele and business flourishing I have decided that this is the way I need to grow my business for me and my apprentice and I have no desire to leave the area in which I have grown up.

2. It would benefit the local area by providing places for jobs/apprenticeships and also delivering a high quality service for people who are majority from cheadle.

3. There would be non/minimal impact for traffic, noise and safety as there would be no additional people coming to the salon that are not already in the area.

There would also be no impact on parking in the area as there is already parking onsite.

4. There would zero environmental impact for the proposal.

5. The opening hours will be between 9am - 8pm on weekdays

6. Regarding employment, there would be me and my apprentice as full time workers with the addition of four more hairdressers/beauticians in the salon who would rent a chair/room

7. Max client capacity of 7
