Comments: I object to the above planning application due to the fact that there will be extra passing traffic & parking issues without doubt, also the noise issue having a care home with staff having to do handovers is not comparable to a large family residence. There is also a covenant which residents signed when we purchased our homes from Bellway Homes, which states that the houses here are for residential use only and not used for business purposes, this location is not suitable at all . there are no amenities nearby for youngsters and is not situated on a main bus route as the nearest one is in the town, a considerable walk from here, it is also in close proximity of another Children's Home approximately 1/4 mile away in Mill Road. There is a strong possibility of anti social behaviour. The address has always been a family home and these are much needed
