Submission: Objection

Comments: I strongly object to the planning application on the grounds there is no room on the estate for additional cars to be parked. The current parking situation is unsustainable and cars are parked both illegally and dangerously most of the time. The access to the pavements for able bodied people is difficult enough with the car parking situation but those with mobility issues or pushchairs are unable to access the dropped kerbs or have to go into the road to get around cars. This has been reported previously to ask for double yellow lines to be installed at the bottom of Victoria Court. This is also a safety issue for the children's play area with cars regularly blocking the exit area on the Victoria Court side. We cannot accommodate a further 5-7 cars.
