Comments: Strongly object to Application number SMD/2024/0241

I have lived on this estate for the past 12 years and are very happy here with how quiet the estate is.

1. Very concerned on the extra traffic for shift patterns which will cause disruption to the neighbourhood.
2. The estate comprises of 6 quiet small cul-de-sacs that filter into only 1 main access road
3. There is no off road parking as suggested in the application.
4. Absolutely no demand for independent children's homes according to official SCC Sufficiency strategy document. (already states we have 3.5x the places for children than are required.
5. Covenant on all properties that shall be used for residential purpose only and to to be used for business us.
6. Lack of consultation. Very concerned no time to listen to our views and comments.
