Email: C\_clarke65@yahoo.co.uk

Submission: Neither

Comments: Regarding the Toilets already sited at this venue, this property is not connected to mains sewage drainage, as confirmed by the sales particulars when up for sale and on our viewing.

For the amount of people visiting the site a commercial sewage tank is required to allow the waterway alongside the property to not be contaminated. Therefore more Investigations needed completing regarding the toilets as they are only operating on a domestic private waste.
