Submission: Objection

Comments: I strongly oppose these plans. This will make what is a beautiful landscape somewhat blotted and dramatically reduce the number of fields that can be used for grazing and crop growing. No one knows what the risks are of living close to such a plant or how noisy it will. I also feel that this would open the flood gates for the land to be used for such things for as far as the eye can see. Why not use roads next to motorways, disused sites, car park roofs anywhere that doesn't involve spoiling natural beauty and reducing arable land. Please Staffordshire Moorlands do the right thing and oppose these plans.
