Submission: Objection

Comments: In respect to the planning permissions submitted by the applicant I firmly wish to object.

In regards to the reasons they are as follows:

1. The property is to be converted into a multiple living space for occupants, as I live in the near vicinity of the property, and the applicants do not state who will be living there, I.e. ex offenders etc, I feel more clarity is needed in this respect.
2. Having previously lived near to an area where there are multiple occupants, it can cause noise issues, and as I live across the road I would like to avoid that where possible, this can be said for any construction work that may also be needed.
3. Parking spaces are very much limited on the road as it stands, generally with cars already parked up to my gate, with people sometimes having to get as close to the yellow lines as possible. With a multiple occupant building, this could lead to further congestion on an already packed road, potentially leading to even less parking space for current residence.

If the applicant can be more concise as to the use of the building that would be very much appreciated.

Kind regards.

Kind regards.
