It will only be blocked up at the entrance to the proposed flat and thus doesn't affect the corridor's use as a fire route, it is also not part of any public right of way as it is gated at the entrance.

Biodiversity net gain

Biodiversity net gain is a legal requirement for planning permission introduced on 12 February 2024. All applications are required to either provide detailed information proving there will be a biodiversity increase; or explain why they are exempt from doing so.
