Subject: SMD/2024/0270 - Land adjacent to Brandon House Farm Town End Road, Foxt.

Categories:

Staffordshire Wildlife Trust has been asked to review the above application as part of a service level agreement with Staffordshire Moorlands District Council to provide ecology advice regarding planning and development management functions.

Following the receipt and review of the documents relating to Biodiversity Net Gain, we would request that any habitat maps use UK Habs methodology and be resubmitted in the correct format. In addition, we would request a plan for how those created habitats will be managed.

Regards

David Cadman MCIEEM
