YOUR COMMENTS ON THE CASE

I strongly disagree with the appeal on planning application APP/B3438/W/24/3345115 for many reasons.

Firstly this planning application is ridiculous, there is no possible way you can physically fit a bungalow on this areas of land. It is also going to be an over baring, infringement on light and space on 2 and 4 Breach road and also on the junction on Breach road.

This area of over grown land is abundant to wildlife and should not have a property built upon it. There also used to be a large protected tree on this plot, that was unlawfully cut down, another reason to reject this appeal

A bungalow will not fit in with the other nearby houses and will look very out of place and cramped In. which is not what we want on our village.

The construction of this bungalow will have effects on residents and pedestrians in the area. This building will unsightly and will not blend in with the local ascetics, which is why I strongly disagree with this appeal.
