Categories:

Thank you for consulting with Staffordshire County Council's Historic Environment Team with regards to the above discharge of condition application. As outlined in the covering letter, we have previously reviewed and approved the submitted archaeological report, and as such we are happy to confirm that all remaining parts of Condition 29 of SMD/2022/0249 can be satisfactorily discharged, with the obvious reminder that the site archive should be compiled and deposited as outlined in the approved WSI(s).

Please let me know if you have any questions or queries,

Best wishes,

Shane
