Dear Sir/Madam

Re Application No – SMD/2024/0339

Location - The Shippon, Apesford Farm, Apesford Lane, Bradnop

Proposal - Change of use from former agricultural shippon to form 1 no. dwellinghouse

The above proposal was put to the members of Bradnop Parish Council.

It was pointed out that the proposed alterations and renovations will definitely halt the decline of the building. However the proposal of new windows and roof lights will completely change the appearance of the shippon.

It was expressed that care must be taken, along with the conversion of other agricultural buildings on this site, that the whole site may lose its whole rural aspect to the area and particularly the neighbouring properties.

Yours faithfully

Sheila M. Knott
Clerk to the Council
