Comments: Firstly I do not object to the application. Secondly, I/we the neighbours firmly disagree with the term "proposed renovation" it is clearly a significant redevelopment. Thirdly, unpleasant conflict has already been experienced with drivers of large delivery vehicles unloading building materials especially when they have blocked our driveways, parked cars on the road are also at risk. This development is going to need many,many deliveries so we are asking you to restrict the size of delivery vehicles as part of your approval simply for our safety and free access to our homes.
