YOUR COMMENTS ON THE CASE

The sheer amount of local complaints plus the Parrish Council have unambiguously objected to this latest proposal from Mr Bain for the planning officer to actually agree with this after considering with all the information we as next door neighbours and others were amazed and very pleased as other attempts have been let through.

The previous planning submission was agreed and has been as we said and feared a total blot on our historic landscape with it visible from miles away despite us being assured it wouldn't be obtrusive and it would be screened

This current proposal would be just the same and we stand by the planning officer with his decision
