Good morning

I am writing in connection with the proposed development of the demolition of existing conservatory and store and erection of single storey rear extension at 17 Hamil Drive, Leek.

Firstly, I have accessed the plans online and they appear to be incorrect. My property is number 19, the end terrace and there is a shared brick built store between 17 and 19. This is not on the plans and appears to be between 17 and 15.

Secondly, I am opposed to the demolition of the brick built store. Mr and Mrs Corden have approached me about this and I have explained this to them.

The store is divided in such a way that their half comes into my land and my half into theirs. The building is not wide enough to divide it any other way.

Therefore I am formally opposing the application to demolish the brick built store between the houses.
